INTERN WELCOME PICNIC
OSU PRIMARY CARE SPORTS MEDICINE FELLOWS– CLASS OF 2014

Dr. Krey joins OSU following a Family Medicine residency at the Medical College of Wisconsin, Columbia St. Mary’s. He received his B.S. from the University of Wisconsin-La Crosse and his D.O. from Des Moines University in Iowa. Dr. Krey was active during his residency with the American College of Osteopathic Family Physicians serving on two committees. He also serves on the Education Committee for AMSSM.

Dr. Miller heads to OSU from Indiana where he completed his residency in Pediatrics at Indiana University School of Medicine. He was also Chief Resident of that program. His undergraduate and medical degrees are from the University of Wisconsin, Madison. He is an active member with AMSSM, the National Med-Peds Resident Association and the American Academy of Pediatrics.

OSU PRIMARY CARE SPORTS MEDICINE GRADUATING FELLOWS, 2013

Dr. Tietze headed west and joined TMI Sports Medicine in Arlington, Texas. He is practicing primary care sports medicine with the group. TMI is the team physician group for the Texas Rangers professional baseball team. Dr. Tietze anticipates working with that team and its’ Double A farm team, Plano Ruff Riders.

Dr. Geissler returned to Chicago upon graduation. She is working with the PCC Community Wellness Center. In addition, she is working with a Family Medicine residency program, coordinating its sports medicine and orthopaedic rotations. She also plans to lecture to a nearby Sports Medicine Fellowship program.

PATIENT-CENTERED MEDICAL HOME (PCMH) UPDATE

All offices are moving forward with PCMH recertification under the NCQA 2011 guidelines. The PCMH steering committee (comprised of managers and physicians from each office, as well as Janel Grover, Director of Ambulatory, and Donna Hedrick RN our consultant) are working towards an October 2013 submission. During the process which is ongoing, there have been significant increases in Tdap and pneumovax rates. The steering committee has decided we should focus on patients with diabetes, hypertension, and tobacco use. The Care Coordinators, lead by Liz Beck RN, are instrumental in supporting this process. Patients in particular have provided very positive feedback on ED and Hospital follow up which is spearheaded by Kathy Maedeker.
