

Jennifer A. Bogner

Academic Summary

- PhD December, 1989 - The Ohio State University, Columbus, Ohio
Department: Psychology
Area: Intellectual and Developmental Disabilities
- MA June, 1986 - The Ohio State University, Columbus, Ohio
Department: Psychology
Area: Developmental Psychology;
Intellectual and Developmental Disabilities
- BS December, 1983 - University of Maryland, European Division
Department: Psychology

Professional Experience

- 2015 - Present Director, Division of Rehabilitation Psychology, Department of Physical Medicine and Rehabilitation, Ohio State University, Columbus, Ohio.
- 2010 - Present Vice-Chairperson of Research and Academic Affairs, Department of Physical Medicine and Rehabilitation, Ohio State University, Columbus, Ohio.
- 2008 - Present Director of Research, Ohio Valley Center for Brain Injury Prevention and Rehabilitation, Department of Physical Medicine and Rehabilitation, Ohio State University, Columbus, Ohio.
- 1997 - Present Director of Research, Ohio Regional Traumatic Brain Injury Model System, Department of Physical Medicine and Rehabilitation, Ohio State University, Columbus, Ohio.
- 1991 - Present Clinical Assistant Professor (1991-1993), Assistant Professor (1993-2001), Associate Professor (2001 - 2015), Professor (2015 – Present) Department of Physical Medicine and Rehabilitation, Ohio State University, Columbus, Ohio.
- 1991 - Present Psychologist, Rehabilitation Psychology, Inc., Columbus, Ohio.
- 1997 - 2003 Director, Team Brain Injury, Department of Physical Medicine and Rehabilitation. Ohio State University Hospitals, Columbus, Ohio.
- 1991 - 2003 Chief Psychologist, Brain Injury Diagnostic Clinic, Department of Physical Medicine and Rehabilitation, The Ohio State University Hospitals, Columbus, Ohio.
- 1991 - 1997 Program Director, Brain Injury Unit, Department of Physical Medicine and Rehabilitation, The Ohio State University Hospitals, Columbus, Ohio.

License and Board Certification

State of Ohio Board of Psychology, License #4331
Board Certified in Rehabilitation Psychology, American Board of Professional Psychology #5641

Honors and Awards

Jennifer A. Bogner

2012 Fellow of the American Congress of Rehabilitation Medicine
 2012 Mitchell Rosenthal Award for Best Scientific Publication in 2011 using the NIDRR-funded TBI Model Systems database

Editorial Boards

Associate Editor (2008-Present), *Journal of Head Trauma Rehabilitation*
 Editorial Board Member (2000-2007), *American Journal of Physical Medicine and Rehabilitation*
 Editorial Board Member (2002-2006), *Rehabilitation Psychology*
 Editorial Board Member (1996-1999), *Journal of Neurovascular Disease*

Professional Affiliations and National Service

2015 – Present Patient-Centered Outcomes Research Institute grant reviewer, ad-hoc (served on Pragmatic Trials Review Group)
 2002 - Present American Congress of Rehabilitation Medicine (ACRM) Board of Governors: Secretary (2015-2017); Member-at-Large and Membership Liaison (two terms, 2010 - 2015); served on various committees as member and chair (Membership, Awards, Policies and Procedures).
 2014 – Present American Congress of Rehabilitation Medicine Brain Injury Interdisciplinary Special Interest Group Chair-Elect (2014-2016, to assume Chair October, 2016)
 1991 – Present Member, American Psychological Association and Division 22, Rehabilitation Psychology; Member, Division 22 Membership Committee (2012 – Present); Member, Division 22 Research Committee (1999- 2008); Division 22 Program Committee (2000 - 2001).
 2010 - Present Review Panel Member, National Institute on Disability and Rehabilitation Research
 2013 Review Panel Member, Congressionally-Directed Medical Research Programs
 2011 TBI Expert Consensus Group Member for the Identification and Treatment of TBI and Co-Occurring Psychiatric Symptoms among OEF/OIF/OND Veterans, Veterans Integrated Service Network 19, Mental Illness Research, Education, and Clinical Center
 2009 Member, National Institute of Neurological Disorders and Stroke Interagency Taskforce for the Development of Common Data Elements for Traumatic Brain Injury
 1994 Planning Committee for "Life After Brain Injury: Answers I Can Live With," national conference of the Office of Special Education and Rehabilitative Services, US Dept. of Education, 1994.

University Service

2013 - Present Chair, OSU Physical Medicine and Rehabilitation Promotion and Tenure Committee
 2010 - Present Chair, OSU Physical Medicine and Rehabilitation Research Committee (Member, 1993 – Present)
 2002 - 2009 Member, OSU Physical Medicine and Rehabilitation Medical Education Committee

Jennifer A. Bogner

2001 - 2004	Member, OSU College of Medicine Faculty Council, OSU Physical Medicine and Rehabilitation Faculty Council Delegate Alternate
2000 – 2001	OSU Medical Center Rehabilitation Division Administration Committee
1994 – 2000	Member, OSU Physical Medicine and Rehabilitation Clinical Quality Management Committee
1995 – 1996	OSU Medical Center Rehabilitation Division Accreditation Committee
1993	OSU Department of Physical Medicine and Rehabilitation/OSU Medical Center Rehabilitation Division Operational Guidelines Committee

Community Service

1998 – Present	Central Ohio Trauma System Board of Directors
2007 – 2013	Central Ohio Trauma System Executive Committee (elected position)

Presentations, Invited Addresses and Workshops

- Comparative Effectiveness of Inpatient TBI Rehabilitation Interventions: Impact of More Time in Contextualized Treatment. Paper presentation at the International Brain Injury Association conference, New Orleans, Louisiana, April, 2017.
- Comparative Effectiveness of Rehabilitation Interventions for TBI: Update on Findings. Webinar hosted by the Brain Injury Association of Michigan, January, 2017.
- Can propensity score methodology save TBI rehabilitation when RCTs are an impossibility? With Cynthia Beaulieu, Kami Gilchrist and Misti Timpson. Symposium presented at the annual meeting of the American Congress of Rehabilitation Medicine, Chicago Illinois, November, 2016.
- Adapting behavioral treatments for persons with TBI. Symposium led by Tessa Hart and with Angelle Sander. Presented at the annual meeting of the American Congress of Rehabilitation Medicine, Chicago Illinois, November, 2016.
- Screening, brief intervention, and referral for treatment, Presentation at the 27 th Annual State of the States in Head Injury Conference. September, 2016; Columbus, Ohio..
- Interventions to Reduce Substance Misuse after Injury: Traumatic Brain Injury as an Example. Presentation at the midyear conference of Division 22, American Psychological Association, San Antonio, Texas, February, 2014.
- Substance Misuse Treatment. Webinar for the Brain Injury Association of Michigan, June, 2013.
- Substance Misuse Treatment in the Community, with Monica Lichi. Caregivers Education Series Live Webinars of the Brain Injury Association of America, March, 2013.
- Substance Misuse and TBI. Webinar with Angelle Sander for the Brain Injury Association of America, December, 2012.
- Traumatic Brain Injury and Substance Use Disorders. Presentation for the annual conference of the Brain Injury Association of Indiana, Indianapolis, Indiana, September, 2012.
- Traumatic Brain Injury: Screening and Accommodations. Presentation for the Ohio Department of Mental Health, Athens, Ohio, July, 2012.

Jennifer A. Bogner

- Introduction to Traumatic Brain Injury and its Neurobehavioral Sequelae. Presentation for Appalachian Behavioral Healthcare, Athens, Ohio, February, 2012.
- Screening for Traumatic Brain Injury. Webinar for North Dakota Department of Human Services, November, 2010.
- Traumatic Brain Injury and Co-Occurring Substance Use Disorders. Presentation at the conference of the Substance Abuse and Mental Health Services Administration, Chicago, Illinois, July 2010.
- Traumatic Brain Injury and Substance Abuse. Presentation at *Why Women Cry*, conference sponsored by Sisters Together and Reaching, Baltimore, Maryland, April, 2010.
- Participation Measurement in TBI Rehabilitation. Presentation at the annual conference of the Brain Injury Association of Michigan, Lansing, Michigan, September, 2009.
- Substance Abuse and Traumatic Brain Injury. Workshop presented at "Community Integration of Persons with Traumatic Brain Injury: Advances in Research and Implications for Treatment", Rehabilitation Research and Training Center (RRTC) on Community Integration of Persons with Traumatic Brain Injury (TBI), Houston, Texas, September, 2009.
- Screening for Traumatic Brain Injury. Workshop for Community Connections, Washington D.C. June, 2009.
- Traumatic Brain Injury and How to Adapt Substance Abuse Treatment to the TBI Population. Workshop for the Charlotte Health Education Center, Charlotte, NC, May, 2009.
- Traumatic Brain Injury: Introduction, Consequences, Screening & Accommodations, Workshop for the Scioto Paint Valley Mental Health Center, Chillicothe, Ohio, May, 2009.
- Substance Abuse and TBI. Workshop and webinar presented at Walter Reed Army Medical Center for the Defense and Veterans Brain Injury Centers, Washington DC., April, 2009.
- Behavior Management. Workshop presented for the Rehabilitation Institute Chicago Academy, Chicago, Illinois, April, 2009.
- Screening for TBI. Workshop at the annual conference of the Brain Injury Association of Ohio, Columbus, Ohio, September, 2008.
- TBI and Substance Abuse. Invited presentation at APA Division 22 (Rehabilitation Psychology) midyear conference, Tucson, Arizona, March, 2008.
- Traumatic Brain Injury. Workshop at the Substance Abuse and Mental Illness Conference, Columbus, Ohio, October, 2007.
- Agitation: Definition, measurement and management. Invited workshop for the Parkview Hospital, Fort Wayne, Indiana, August, 2007.
- Screening for TBI: What's in it for me? Invited symposium for the Health Resources and Services Administration's Maternal and Child Health Bureau 10th Annual Federal TBI Program State Agency Grantee Meeting, Bethesda, MD, March 2007.
- Agitation: Definition, measurement and management. Invited workshop for the Rehabilitation Institute of Chicago Academy, Chicago, Illinois, May, 2007.
- Classroom Strategies for Promoting Positive Outcomes. Presentation at the Ohio Brain Injury Advisory Committee's workshop for educators, Columbus, Ohio, March, 2006.
- Traumatic Brain Injury: Changes in Behavior. Workshop for the Appalachian Behavioral Healthcare, Athens, Ohio, August, 2004.
- Strategies for College Students with TBI. Workshop conducted at Columbus State Community College, July, 2003.
- Measuring agitation. Workshop provided to Edwin Shaw Rehabilitation Center staff, Akron, Ohio; March, 2003.
- TBI Model Systems. Grand rounds at Metrohealth Medical Center, Cleveland, Ohio, June 2002.
- Behavior management strategies for persons with traumatic brain injury. Workshop given at the 66th annual conference of the Ohio Physical Therapy Association, Columbus, Ohio, March, 2001.
- Traumatic Brain Injury: Incidence, Sequelae, and Treatment Strategies. Workshop presented at Whetstone Industries, Mt. Gilead, Ohio, July, 2001.
- Living with hidden and less severe traumatic brain injury, with W. Gordon & P. Glass. "TBI in the 21st Century," Federal Interagency Conference, Washington D.C., December, 1999.
- Traumatic brain injury: Changes in behavior. Workshop for the Ohio Department of Mental Health Behavior Therapy Conference, Columbus, Ohio, October, 1999.

- Substance use and abuse after traumatic brain injury. Pre-conference workshop for the Brain Injury Association of New Hampshire, Concord, New Hampshire, May, 1999.
- Community integration of persons with traumatic brain injury, with J. Arnett. Workshop sponsored by Shawnee Community Mental Health Center, Chillicothe, Ohio, February, 1999.
- Traumatic brain injury: Promoting treatment intervention, not discharge. Workshop for State Long-term Care Ombudsman of the with TBI Ohio Department of Aging, Columbus, Ohio, January, 1999.
- Patient care considerations: Enhancing outcomes. One day symposium for the 6th Annual Northern Rockies Brain Injury Symposium, Missoula, Montana, August, 1998.
- Understanding closed head injuries. "Two Days In May," Conference sponsored by the Ohio Attorney General and Victims of Crime, Columbus, Ohio, May, 1997.
- Psychosocial outcomes following traumatic brain injury. "Promoting positive outcomes after brain injury: Current research and practices," conference sponsored by the Ohio Valley Center and the Brain Injury Association of Virginia, Richmond, Virginia, September, 1996.
- Using behavior management techniques to improve outcomes. Brain Injury Association-Indiana's 12th Annual Conference, Indianapolis, Indiana, September, 1996.
- Community integration: Cognitive remediation techniques, with J. Dickerson and L. Sterling. "The Highs and Lows of TBI Management", one day workshop sponsored by Good Samaritan Medical Center; Zanesville, Ohio, April, 1996.
- Introduction to traumatic brain injury. 4th Annual Conference of Ohio Department of Mental Retardation/ Developmental Disabilities, Columbus, Ohio, March, 1996.
- Behavior management with persons with traumatic brain injury. Workshop for Ohio Department of Mental Health, Columbus, Ohio, October, 1995.
- Preventing alcohol from disrupting the circle of recovery. Annual conference of the Ohio Head Injury Association, Columbus, Ohio, September, 1995.
- Substance abuse and traumatic brain injury. Workshop for Parkview Hospital, Fort Wayne, Indiana, June, 1995.
- Identifying risks for suboptimal outcomes following traumatic brain injury. "Life After Brain Injury: Answers I Can Live With," national conference of the Office of Special Education and Rehabilitative Services, US Dept. of Education, Chicago, Illinois, November, 1994.
- School issues relating to traumatic brain injury. Conference sponsored by the Ashland City School District; Ashland, Ohio, November, 1994.
- Risks for suboptimal outcomes. "Journey Toward Independence," 9th Annual Conference of the Northern Virginia Head Injury Association, Alexandria, Virginia, October, 1994.
- Practical considerations in assessment and intervention for agitation, with J.D. Corrigan. 18th Annual Post-graduate Course on Rehabilitation of the Brain-Injured Adult and Child, Williamsburg, Virginia, June, 1994.
- Introduction to traumatic brain injury. 2nd Annual Conference for Ohio Department of Mental Retardation/Developmental Disabilities, Columbus, Ohio, March, 1994.
- What is traumatic brain injury? "An Introduction to Life-Span Planning and Intervention," workshop sponsored by the Summit County Traumatic Brain Injury Planning Group, Akron, Ohio, August, 1993.
- Traumatic brain injury: Assessment and intervention. "An Introduction to Life-Span Planning and Intervention," workshop sponsored by the Summit County Traumatic Brain Injury Planning Group, Akron, Ohio, August, 1993.
- Substance abuse and traumatic brain injury. Lancaster Brain Injury Support Group, Lancaster, Ohio, January, 1993.
- The patient with traumatic brain injury: Outreach efforts from the interdisciplinary team. "Patient Education in the 90s: An Interdisciplinary Team Approach," conference by the OSU Hospitals Department of Educational Services and Development, Columbus, Ohio, November, 1992.
- Behavior management with children with disabilities. Northland Terrace Medical Center, Columbus, Ohio, May, 1992.
- Anoxia: Cognitive and behavioral issues. Northland Terrace Medical Center, Columbus, Ohio, May, 1992.

Jennifer A. Bogner

Substance abuse and traumatic brain injury. Columbus Head Injury Support Group, Columbus, Ohio, 1991.

Traumatic brain injury rehabilitation. One-day workshop for Licking County Board of Mental Retardation and Developmental Disabilities, Newark, Ohio, October, 1991.

Refereed Symposia, Paper and Poster Presentations

Comorbidities associated with lifetime exposure to TBI, with Corrigan, J, Cuthbert, J, Dams-O'Connor, K. Symposium presented at the ACRM Annual Conference, Orlando, Florida, November, 2013.

Methodological challenges in studies of TBI rehabilitation: Practice-Based Evidence Study with Horn, S, Dijkers, M., Hammond F. Symposium presented at the Third Federal TBI Interagency Conference, Washington DC, June, 2011.

Attrition in TBI Longitudinal Studies with Krellman, Hammond F. Symposium presented at the Third Federal TBI Interagency Conference, Washington DC, June, 2011.

Lifetime history of TBI, with Corrigan, J, Brenner, L, Ferguson, P. Symposium presented at the Third Federal TBI Interagency Conference, Washington DC, June, 2011.

Methodological challenges in studies of TBI rehabilitation: Practice-Based Evidence Study with Corrigan, J., Bogner, J., Horn, S, Dijkers, M., Hammond F., and Seel, R. Symposium presented at the ACRM-ASNR Joint Educational Conference, Denver, Colorado, October, 2009.

Vocational rehabilitation for TBI: Research Models and Methods, with Hart, T., Corrigan, J., and Malec, J. Symposium presented at the ACRM-ASNR Joint Educational Conference, Denver, Colorado, October, 2009.

Participation Measurement in TBI: Issues of Cognition and Communication. Pre-conference symposium on participation measurement for the annual conference of the American Congress of Rehabilitation Medicine, Toronto, Ontario, October, 2008.

7T DTI in mild traumatic Brain injury patients and age matched controls, with S. Choi S, P. Schmalbrock, J. Corrigan et al., ISMRM 2009, Honolulu, Hawaii, April, 2009.

TBI Screening. Presentation at the Brain Injury Association of Ohio's annual conference, September, 2007.

Use of Rewards for Engagement and Retention in Substance Abuse Treatment. Presentation at the TBI Interagency Conference, March, 2006.

Increasing Substance Use Disorder Treatment Compliance for Persons With Traumatic Brain Injury, with Heinemann A., Corrigan, J.D., & Moore D. Poster presentation at the American Congress of Rehabilitation Medicine, October, 2003.

Substance abuse and violence. Symposium on TBI Model Systems projects addressing violence presented at the annual meeting of the American Congress of Rehabilitation Medicine, Philadelphia, PA, October, 2002.

Predicting entrance into the workforce after brain injury. Poster presented at the midyear meeting of Division 22, American Psychological Association, March, 2002.

Team Brain Injury: A Resource and Service Coordination Model, with J.D. Corrigan & G. Lamb-Hart. "Building Blocks of Change, " annual symposium of the Brain Injury Association, Atlanta, Georgia, July, 2001.

Outcomes following violence-related injury: The contribution of substance abuse history, with J.D. Corrigan, W.J. Mysiw, L. Fugate & D. Clinchot. Poster presentation at "TBI in the 21st Century," Federal Interagency Conference, Washington D.C., December, 1999.

The role of agitation in the prediction of outcome, with J.D. Corrigan. W.J. Mysiw, D. Clinchot, & L. Fugate. Poster presentation at "TBI in the 21st Century," Federal Interagency Conference, Washington D.C., December, 1999.

Predicting subjective well-being following traumatic brain injury, with J.D. Corrigan. Poster presentation at "TBI in the 21st Century," Federal Interagency Conference, Washington D.C., December, 1999.

Psychosocial outcomes in rehabilitation research can be confounded by demographic differences, with J.D. Corrigan. 76th Annual Meeting of the American Congress of Rehabilitation Medicine, Orlando, Florida, October, 1999.

Jennifer A. Bogner

- Measuring agitation following acquired brain injury, with J.D. Corrigan. Poster presentation at 104th Annual Convention of the American Psychological Association, Toronto, Canada; August, 1996.
- Systematic bias in longitudinal outcome studies of persons with traumatic brain injury, with J.D. Corrigan, W.J. Mysiw, D. Clinchot, & L. Fugate. "Traumatic Brain Injury: Models and Systems of Care", sponsored by the National Institute on Disability and Rehabilitation Research, Washington, D.C., April, 1996.
- Effectiveness of a case management model for treatment of substance abuse following acquired brain injury, J.D. Corrigan, W.J. Mysiw, D. Clinchot, & L. Fugate. "Traumatic Brain Injury: Models and Systems of Care", sponsored by the National Institute on Disability and Rehabilitation Research, Washington, D.C., April, 1996.
- TBI monitoring and rehabilitation management during the acute phase of recovery, with J.D. Corrigan & W.J. Mysiw. 69th Session of the American Congress of Rehabilitation Medicine, San Francisco, California, November, 1992.
- Agitation during recovery from traumatic brain injury: Nature and measurement, with J.D. Corrigan. Poster presentation at the 99th Annual Convention of the American Psychological Association, San Francisco, California, August, 1991.
- Utility of neuropsychological assessment tools with developmentally disabled adults and children, with B. Shire, C. Patterson, & D. Hammer. Paper presented at the 97th Annual Convention of the American Psychological Association, New Orleans, Louisiana, August, 1989.
- The family environment of Duchenne dystrophy: The siblings' perspective, with V. Blubaugh, D. Hammer. Paper presented at the convention of the American Association of Mental Retardation, Denver, Colorado, May, 1986.
- Duchenne dystrophy: Sibling self-concept, with V. Blubaugh, D. Hammer. Paper presented at the convention of the American Association of Mental Retardation, Denver, Colorado, May, 1986.
- Prediction of dangerousness, with H. Hall, E. Catlin, A. Boissevain. Paper presented at the 92nd Annual Convention of the American Psychological Association, Toronto, Canada, August, 1984.

Grants

- Site PI, "Improving Transition from Acute to Post-Acute Care Following Traumatic Brain Injury", subcontract under University of Washington, Patient-Centered Outcomes Research Institute, \$1,531,584, 8/1/2017 – 7/31/2022
- Co-Principal Investigator, "Ohio Regional Spinal Cord Injury Model Systems". SCI Model System Program site funded by the National Institute on Disability, Independent Living and Rehabilitation Research, Administration for Community Living, \$2,200,000, 2016-2021.
- Site PI, "Comparison of sleep apnea assessment strategies to maximize TBI rehabilitation and outcome" subcontract, prime is James E. Haley Polytrauma Center, Patient-Centered Outcomes Research Institute, \$329,056, 10/1/2016-09/30/2019,
- Co-Investigator, "Optimizing TBI rehabilitation: Longitudinal analysis of interventions", NIH/NICHHD, \$7828, 07/16/2016-06/30/2017.
- Principal Investigator, "Comparative Effectiveness of Rehabilitation Interventions for Traumatic Brain Injury". Patient-Centered Outcomes Research Institute, \$828,350, 2015-2017.
- Co-Principal Investigator, "Identification of TBI and Accommodations for Living in the Community". Traumatic Brain Injury State Implementation Partnership Grant funded by Health Resources and Services Administration, \$982,616, 2014-2018.
- Co-Principal Investigator and Director of Research, PI on local project and on multi-site collaborative module, "Ohio Regional Traumatic Brain Injury Model System". TBI Model System Program site

Jennifer A. Bogner

funded by the National Institute on Disability, Independent Living and Rehabilitation Research, Administration for Community Living, \$2,237,500, 2012-2017.

Co-Investigator and Site Director, "Individualized Planning for the First Year Following Acute Rehabilitation". Funded by the National Institute on Disability and Rehabilitation Research, US Department of Education, \$4,250,000, 2008-2014.

Site Co-Principal Investigator, "A Multicenter, Parallel-group, Randomized, Double-blind, Placebo-controlled Trial of Amantadine Hydrochloride in the Treatment of Chronic Traumatic Brain Injury Irritability and Aggression". OSU is one site in a TBI Model Systems Collaborative Grant awarded to Carolinas Rehabilitation by National Institute on Disability and Rehabilitation Research, US Department of Education, \$119,640, 2008-2014.

Co-Principal Investigator and Director of Research, "Ohio Regional Traumatic Brain Injury Model System". TBI Model System Program site funded by the National Institute on Disability and Rehabilitation Research, US Department of Education, \$2,172,000, 2007-2013.

Co-Principal Investigator, "Traumatic Brain Injury and Substance Use Disorders among Injured Soldiers". Cooperative agreement with the Defense and Veterans Brain Injury Center at the Walter Reed National Military Medical Center funded by the Henry M. Jackson Foundation, \$81,500, 2009-2012.

Co-Principal Investigator, "Operation MAPS: Pathways and Partnerships". Development project in collaboration with the Brain Injury Association of Ohio funded by the U.S. Department of Health and Human Services (HHS) Health Resources & Services Administration, \$85,000, 2006-2012.

Investigator, "Disability After Non-Hospitalized Traumatic Brain Injury in Colorado: A Population-Based Study" awarded to the Colorado Injury Control Research Center by the Centers for Disease Control and Prevention, \$50,000, 2007-2012.

Co-Investigator, "Incorporating Stakeholder Perspectives of Community Participation". One research project in the Rehabilitation Research and Training Center on Measuring Rehabilitation Outcomes awarded to the Rehabilitation Institute of Chicago and funded by National Institute on Disability and Rehabilitation Research, US Department of Education, \$147,000, 2004-2009.

Co-Investigator, "Effectiveness of a Brief Educational Intervention for Reducing Substance Abuse after TBI". One research project in the Rehabilitation Research and Training Center on Health and Function in Traumatic Brain Injury awarded to The Institute for Rehabilitation Research (TIRR), Houston Texas by the National Institute on Disability and Rehabilitation Research, US Department of Education, \$345,000, 2003-2008.

Co-Principal Investigator and Director of Research, "Ohio Regional Traumatic Brain Injury Model System". TBI Model System Program site funded by the National Institute on Disability and Rehabilitation Research, US Department of Education, \$1,825,000, 2002-2008.

Co-Principal Investigator, "Reliability and Predictive Validity of the OSU TBI Identification Method". Cooperative agreement from the Centers for Disease Control and Prevention. \$166,485, 2005-2007.

Principal Investigator, "Self-Regulation in Co-occurring TBI and Substance Abuse" R03 awarded by the National Center for Medical Rehabilitation Research, NICHD, NIH, \$150,000, 2004-2006.

Jennifer A. Bogner

Co-Principal Investigator and Director of Research, "Ohio Regional Traumatic Brain Injury Model System". TBI Model System Program site funded by the National Institute on Disability and Rehabilitation Research, US Department of Education, \$1,825,000, 2002-2007.

Principal Investigator, "Team Brain Injury: A Randomized Clinical Trial of a Resource and Service Coordination Model". Grant funded by the Ohio Rehabilitation Services Commission, \$124,017, 2000-2002.

Co-Principal Investigator, "Increasing Substance Abuse Treatment Compliance for Persons with Traumatic Brain Injury." Awarded by the Center for Substance Abuse Treatment, Substance Abuse and Mental Health Services Administration, US Department of Health and Human Services, \$1,018,210, 1999-2002.

Director of Research, "Ohio Regional Traumatic Brain Injury Model System." TBI Model System Program site funded by the National Institute on Disability and Rehabilitation Research, US Department of Education, \$1,725,000, 1997-2002.

Co-Investigator, "A Double-Blind Placebo-Controlled Trial Exploring the Efficacy of Nortriptyline and Amantadine in the Management of Post-Traumatic Agitation". Awarded by National Institute on Disability and Rehabilitation Research, US Department of Education, \$1,109,606, 1998-2002.

Project Director, "Team Brain Injury: Into the Future." Awarded by Columbus Medical Association Foundation, \$135,428, 1999-2001.

Co-Investigator, "Functional Rehabilitation in the Presence of Memory Impairment." Multicenter collaborative planning grant awarded to Moss Rehabilitation Research Institute by the National Institute of Child Health and Human Development, National Institute of Health; Contract agreement with OSU for amount of \$3,157, 1998-1999.

Project Principal Investigator, "Identifying Risks for Suboptimal Outcomes," Project 2.1 of the Ohio Valley Center for Brain Injury Prevention and Rehabilitation, a Regional Head Injury Center funded by the Rehabilitation Services Administration, US Department of Education, \$222,528 for Project 2.1, 1992-1998.

Co-Administrator, "Preventing Substance Abuse," Project 1.2 of the Ohio Valley Center for Brain Injury Prevention and Rehabilitation, a Regional Head Injury Center funded by the Rehabilitation Services Administration, US Department of Education, \$153,796 for Project 2.1, 1992-1998.
