Educational Needs

Age Related Macular Degeneration (AMD) is the leading cause of blindness in individuals over age 60 in the industrialized world. The rising population in this age range is expected to increase by 50% in the next 25 years making AMD a significant public health concern. Ophthalmologists must be aware of present diagnostic criteria, incidence data, current and future directions in treatment, as well as state of the art research into causes and prevention of this important disease.

Educational Objectives

1. Recognize the risk factors associated with AMD.
2. Discuss current AMD treatment options available to patients.
3. Describe the clinical classification of lesions causing vision loss in AMD.
4. Demonstrate an understanding of the epidemiology of AMD.
5. Distinguish the mechanisms of action of various AMD treatments.

General Information

Accommodations: Symposium participants who require overnight rooms are advised that a block of rooms has been specifically reserved at the Hilton Columbus at Easton in Columbus, Ohio for arrival on March 2 and departure March 4, 2006 (rates of \$135 for single or double occupancy.) The cut-off date is February 10, 2006.

Reservation requests received after the cut-off date will be accepted on a space and rate availability basis. If the group rate is not available after the cut-off date, the prevailing rack rates will apply for any reservations confirmed. Participants may call the hotel for reservations at 1-800-HILTONS or (614) 414-5000 and mention the group name, The Ohio State University, Center of Continuing Medical Education. We encourage participants to arrange for accommodations early due to other activities occurring that weekend in Columbus. In the past, there has been some difficulty obtaining the desired space.

Fees: The registration fee of \$350 for physicians, \$200 for Ohio State faculty and non-OSU hospital trainees (with a letter from their program director) and nurses. The fee includes the cost of course materials, coffee breaks, lunch, reception, and dinner on Friday. Guest fee for the reception/dinner is \$35. Fees will be refunded if notice of cancellation is received no later than February 24, 2006. All fees are subject to a \$50 non-refundable administrative charge. Fees may be paid by Visa, Mastercard, check, or money order. PLEASE MAKE CHECKS PAYABLE TO OSU Ophthalmology.

Accreditation: The Ohio State University Medical Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor medical education for physicians. The Ohio State University Medical Center certifies that this program meets the criteria for up to 9 credits in Category I of the Physician's Recognition Award of the American Medical Association. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

ADA: If you have questions concerning access, wish to request a sign language interpreter, or accommodations for a disability, please contact Trish Rebish at (614) 293-8117 or at rebish.3@osu.edu. **Early requests are encouraged.**
