Minimally Invasive Approaches to the Complex Inguinal and Ventral Hernia Repairs

First Name  Last Name  Title (MD/DO)

Address

City  State/Country  Zip

Phone  Fax

Email

Primary Hospital Affiliation

Registration Fees

On or before September 28, 2012:

☐ Physician: $400  ☐ Fellow/Resident: $200

After September 28, 2012:

☐ Physician: $500  ☐ Fellow/Resident: $250

Payment Method

Amount Enclosed $

Payment (Please indicate form of payment below)

☐ Check (payable to The Ohio State University CMIS)

☐ MasterCard  ☐ VISA  ☐ AMEX

☐ Discover (through CCME website only)

Credit Card Number  Exp. Date

Authorized Signature  Billing Zip Code

Registration Cancellation Policy

100% of the course fee will be refunded for cancellations received up to two weeks prior to the course.

Cancellations received less than two weeks prior to course will be refunded less a 50% cancellation fee.

To register, visit http://ccme.osu.edu

or mail your completed form to:

ACCREDITATION
The Ohio State University Wexner Medical Center, Center for Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The Ohio State University Wexner Medical Center designates this educational activity for a maximum of 6.75 AMA PRA Category I Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

NEEDS ASSESSMENT
Recurrence rates for hernia repairs remain high. There is very little consensus on the appropriate roles and indications for primary closure versus mesh closure versus muscle/fascia release and advanced techniques. This educational course is designed to address the management of a difficult hernia repair, from the type of hernia mesh to the type of closure. There will be didactics and a hands-on experience to demonstrate the techniques in the inguinal and ventral hernia repairs.

COURSE OVERVIEW
This educational course is designed for general surgeons to help them recognize the management of a difficult inguinal and ventral hernia repair with minimally invasive approaches. The course will also demonstrate the continued desire to improve minimally invasive hernia repairs in hope to lower recurrence rates. Surgeons will also be offered an opportunity for self-assessment credits toward Part 2 of the ABS MOC Program.

OBJECTIVES
At the conclusion of this activity, participants should be able to:
1. Formulate a plan on how to approach the difficult inguinal and ventral hernia repairs.
2. To identify and demonstrate minimally invasive surgery techniques in inguinal and ventral hernia repairs.
3. To differentiate biomaterials.
4. To identify the management of hernia repair complications.

AGENDA
The Blackwell Hotel
7:30 a.m. Registration & Continental Breakfast
8:00AM Welcome
8:10 a.m. TAPP
8:30 a.m. TEPP
8:50 a.m. Biomaterials for Hernia Repair
9:10 a.m. Laparoscopic Ventral Hernia Repair
9:50AM BREAK
10:05 a.m. The Difficult Hernia: Parastomal, Flank, Congenital, The Recurrent Hernia
10:25 a.m. Endoscopic Component Separation
10:45 a.m. Complications
11:15 a.m. Panel Discussion/Question & Answer Session
Lunch
12:15 a.m. Depart for Lab, 125 Wiseman Hall
12:30 a.m. Hands-on Application of Techniques
Animate Laboratory Session
3:30PM Meeting Adjourned

DISCLOSURE STATEMENT
Current guidelines state that participants in CME activities should be made aware of any affiliation or financial interest that may affect the speakers’ presentations. Each speaker has completed a conflict-of-interest statement. Disclosure statements will be provided to participants in the course.

COMMERCIAL SUPPORT
The course organizers gratefully acknowledge the generous support of our corporate sponsors.

MISSION STATEMENT
The Ohio State University Center for Minimally Invasive Surgery is dedicated to the achievement of excellence in patient care, clinical training, research and outcomes studies pertaining to the techniques and technology of minimally invasive surgery. For more information on CMIS course offerings, please visit our website at http://cmis.osu.edu/

THE OHIO STATE UNIVERSITY
AFFILIATED SPEAKERS
Dean Mikami, MD, FACS – Course Director
Associate Professor of Surgery
Division of General & Gastrointestinal Surgery

Luke Funk, MD
Clinical Assistant Professor of Surgery
Division of General & Gastrointestinal Surgery

Aliyah Kanji, MD
Clinical Assistant Professor of Surgery
Division of General & Gastrointestinal Surgery

Vimal Narula, MD
Assistant Professor of Clinical Surgery
Division of General & Gastrointestinal Surgery

GUEST SPEAKERS
Kenric Murayama, MD
Professor of Surgery
Pennsylvania Presbyterian Medical Center

Sabrena Noria, MD, PhD, FRCSC
Assistant Professor of Clinical Surgery
Tulane University School of Medicine

TRAVEL & ACCOMMODATIONS
Travel and hotel are the responsibility of the individual attendees. The Ohio State University is not responsible for travel arrangements. Please confirm course registration prior to hotel registration or the purchase of airline tickets.

If you need special accommodations due to disability, please contact Heidi Pieper at (614) 293-9072.

AIR TRAVEL
It is recommended that you use Port Columbus International Airport, which is a 15-minute drive to the hotel.
